

SF Motorcycle Engine Oil

Product reference: MTCY-03

Motorcycle engine lubricant offered in viscosity grade 15W-40.

SF Motorcycle Engine Oil

Product name

SF Motorcycle Engine Oil

Quality grade

SF

Viscosity / grade

15W-40

Product overview

This product is manufactured from high-quality base oils and additives using an advanced formulation and production process to deliver excellent performance. It is suitable for motorcycles and small machinery with conventional naturally aspirated gasoline engines and meets everyday lubrication needs.

Performance features

1. Good low-temperature lubrication allows the oil to reach lubricated components quickly during cold starts, reducing engine wear.
2. Stable viscosity at high temperatures forms a reliable oil film under high-temperature operating conditions and reduces friction between components.
3. Suitable for year-round use in southern regions.

Packaging

12 × 0.9 L containers; 12 × 1 L containers

Product visual and technical data

PETRONEXUS MOTORCYCLE ENGINE OIL

Reliable Lubrication for Everyday Riding

- Excellent Low-Temperature Performance
- Superior Lubrication
- Outstanding High-Temperature Performance
- Reliable All-Season Lubrication

PETRONEXUS | POWERING A SMOOTHER TOMORROW

SMOOTH PROTECTION, CONFIDENT PERFORMANCE

CLEANER ENGINES. STRONGER RIDES.

- Wear Protection
- Thermal Stability
- Cold-Start Support
- Engine Cleanliness

ENGINE PROTECTION IN EVERY DROP

PREMIUM MOTORCYCLE OIL

Formulated with high-quality base oils and additives, this oil provides reliable lubrication and engine protection, supports performance across low and high temperatures, and is suitable for year-round everyday use.

- LOW-TEMP PERFORMANCE
- HIGH-TEMP STABILITY
- SUPERIOR LUBRICITY
- ALL-SEASON USE

KEEP YOUR ENGINE RUNNING STRONGER

WIDE APPLICATIONS

Suitable for motorcycles, scooters, small gasoline engines and more. Reliable performance for your everyday needs.

- STREET MOTORCYCLES (SPORT / STANDARD)
- COMMUTER SCOOTERS (DAILY USE)
- SMALL DISPLACEMENT MOTORCYCLES
- SMALL GASOLINE POWERED EQUIPMENT

ONE OIL. MULTIPLE EVERYDAY APPLICATIONS.

APPLICATIONS & SPECIFICATIONS

Equipment Type	Motorcycles / Small Gasoline Machinery
Engine Type	Conventional Naturally Aspirated Gasoline Engines
Performance Level	API SF
Recommended Grade	SAE 15W-40
Main Benefits	Low-temp flow, lubrication, high-temp protection, all-season use
Use Advice	Follow equipment manufacturer recommendations.

RELIABLE SPECIFICATIONS FOR REAL-WORLD PERFORMANCE

WHY CHOOSE PETRONEXUS?

- Reliable Quality
- Advanced Formulation
- Professional Performance
- Export-Ready Supply

petronex | YOUR TRUSTED LUBRICATION PARTNER FOR A MOVING WORLD

AVAILABLE PACKAGES

Flexible packaging for retail distribution

- 0.9L
- 1L

0.9 L x 12 Bottles per Carton | 1 L x 12 Bottles per Carton

LUBRICANTS FOR EVERY RIDE

- Protect Engine
- Smooth Riding
- Reduce Wear
- Ride Farther
